Hindi ▬▬▬▬▬▬▬▬▬▬

PROFILE

I am a driven second-year BCA (Bachelor of Computer Applications) student with a strong focus on computer science and technology. I am committed to advancing my education and expression while being prepared for growth-oriented opportunities. I am determined to leverage my knowledge and skills in the right direction to achieve my goals.

WORK EXPERIENCE

2022-2023

1. **Academic Projects:** I've undertaken diverse programming projects during my BCA program, showcasing skills in languages, database management, and web development.
2. **Self-Learning & Skill Growth:** Actively self-learned web development, data analysis, and improved problem-solving through online courses and tutorials.
3. **Coding Competitions:** Participate in coding competitions, enhancing problem-solving and teamwork.
4. **Solid Waste Management Research:** Studied efficient waste disposal, sustainability, and socio-environmental impacts. Collaborated on data analysis and innovative solutions for responsible waste management.
